

Heaven's Invasion Family Values

We are: A family of God's children who are transformed and united by Jesus' presence and love, who love, serve, and bring others into an encounter with Him.

God's priorities for us can be summed up in one word: Love. This love is expressed and experienced as we love Him, love each other, and love others.

1. Our personal relationship with Papa:

- a. I am fully surrendered to Him.
- b. I am secure in my status as a son/daughter.
- c. I am hungry to know Him more.

2. Our relationship with each other:

- a. I honor each person's uniqueness.
- b. I respect their choices or decisions.
- c. I pray for and encourage them regularly.
- d. I serve them when an opportunity arises.

3. Our love for others in serving and ministry:

- a. What is my life purpose and calling?
- b. What giftings and anointing have I been given to fulfill this call?
- c. What changes may need to happen for me to fully live out my calling?
- d. What do I need personally in order to grow in my ministry calling?
