TRANSFORMATION IN YOUR SPHERE OF INFLUENCE
Week 10 **GRADUATION DAY**

SUMMARY WEEK 10

IN THIS SESSION YOU WILL:

1. Review major highlights from the past nine weeks.
2. Consider the next step in your transformation journey
3. Receive a commission to lead others in transformation by bringing them to the next quarter of TSOT.

This week you should have received via email the third of three brief questionnaires. In order to get credit for the course you must hit “reply”, answer the two questions and send it to us. If you do not wish to answer the questions you may choose to audit the course.

NOTES:

1. PERSONAL TRANSFORMATION

Remember how we talked about the Lord saying, “I am going to build my Ekklesia?”, my church, not my temple, not my synagogue but my Ekklesia. And then we also said that Ekklesia (church) and the Kingdom of God are two sides of the same coin. Where the kingdom went the church was built, where the church was established, the kingdom was established.

What are the obstacles that keep us from understanding that everyone is a minister and that ministry is a lifestyle? And a lifestyle can only be done 24/7 whether you are driving a taxi, pastoring a church, closing a deal, you are part of the Ekklesia.

So let me mention one major obstacle:

Not loving what God loves the most: the world

- for God so loved the world that he gave the very best
- baptism of love for a world that is lost
- when we don’t love the lost and we talk to them about the love of God, it’s like giving them a good kiss bad breath
- if your favorite dish is bbq lamb he will not send you after the lost sheep

BRINGING DOWN STRONGHOLDS

ED: James says cleanse your hands you sinners – that’s what everybody sees – but also purify your hearts. You see it’s not enough to say I won’t do it any more, you need to get to the root cause and you will purify your heart by doing the 40 day treatment...

1. Submit to God
2. Resist the devil
3. Draw near to God
4. Deal with both the outward manifestation and the root cause

God bless you my friend. I pray that the HS will come upon you... (impartation) and that the stronghold will come down.

2. FAMILY TRANSFORMATION

ED: Welcome to week 5 in the School of Tyrannus. The subject is “Prayer Evangelism as a Family Lifestyle.” So before I introduce the panel, let me give you something to pick you up. In the book Prayer Evangelism chapter 1, the title is “What the devil doesn’t want you to know”... that he’s a loser (story from Rocky 2)...

Get up, get up you blessed one! Because this is week 5 of the School of Tyrannus!

MINISTRY WITH OUR CHILDREN

ED: I want you to watch these children whose parents are walking together with them practicing prayer evangelism. Get ready to be blessed and every time the kids say something to the audience that goes for you.

EMMA: (telling about buying the dress and asking the woman if she needed prayer. She thinks she has heard God’s voice and we say she has.)

NATHAN: I’m here to tell you that if God can transform my mind he can transform yours...(preaching his sermon)

ED: God is speaking to you tonight. He is saying that your children and your grandchildren will rise up and call you blessed! Grab hold of hope. Declare my family will come back!

NATHAN: (prays)

3. TRANSFORMATION IN YOUR SPHERE OF INFLUENCE

ED: Do you realize that the same blood that washed your sins paid the price for your business, your school, your government to be redeemed? And when we understand that everything changes.

And now Chuck conducted an interview with Michael Brown. Michael Brown is featured in the video “Transformation in Vallejo”.

Just watch how Michael caught it. You know, first personal transformation, then marriage and family transformation, then his company gets transformed, and then the city is experiencing transformation, because Michael changed paradigms and he says it very eloquently. Watch this interview...

QUESTIONS FOR YOUR GROUP

PERSONAL TRANSFORMATION

1. What is one of the main obstacles to our developing ministry as a lifestyle in the marketplace and how do we overcome it?
2. How has the 40-day treatment helped you pull down strongholds in your own personal life. How has it helped you minister to others? What are the four steps James gives to deal with strongholds and how does he help us get to the root cause of our problems?

FAMILY TRANSFORMATION

3. What hope and impartation did you receive for your own family from the ministry of the children in this session?

TRANSFORMATION IN MY SPHERE OF INFLUENCE

4. What did you learn from Michael Brown's testimony about how personal and family transformation that I experience should then impact my sphere of influence? How is that happening in your own experience?

REFLECTION AND ACTION

1. Receive the impartation to go further with all you have received over this last quarter.
2. Consider joining one of the institutes where God is leading you to specialize.
3. Look for those who are following you and invite them to the next quarter of TSOT.
